

IMT-BLOG

30 YEARS OF IMT

October 2, 2015

IMT is celebrating its 30th anniversary this year. Since 1985 we have adhered to the core values upon which the founders of IMT have built our company. These values are the corner stones of our successful development, and for that reason we have adopted "Spirit of Value Management" as our Group slogan.

IMT started up with just five employees. Today our staff numbers more than forty highly qualified experts. Over time we have developed from one company to a group of companies ideally constituted to render diversified high-level services within the financial industry. We see ourselves as a financial services boutique rather than an institutional firm, domiciled in Liechtenstein, but acting globally.

We would like to take this opportunity to introduce our new logo and corporate identity. All IMT Group companies will in principle share the same logo. We have also created a new, up-to-the-minute website, which explains the core principles and values our Group companies stand for, and through which we will share useful information with our clients and interested parties.

We are also proud to introduce our new partners, Dr. Thomas Trauth and Dr. Thomas Struth, who have joined our Group as of October 1, 2015. Both are high-caliber professionals.

Thomas Trauth is the new CEO of IMT Asset Management AG; he succeeds Franz Risch, who will

leave our Group when he retires in May 2016. Thomas is an excellent investment specialist with vast professional experience acquired over more than 25 years in the banking and asset management industry.

Thomas Struth has been a successful independent litigation and contract lawyer for more than 20 years. We have merged our law office, Kieber & Nuener, with his firm to create the new "Kieber Nuener Struth". Thomas will significantly strengthen our litigation department.

Thomas Trauth and Thomas Struth are great additions to our teams, and are convinced that our clients will benefit from their professional know-how and expertise.

We sincerely hope that our existing and future client will appreciate our new Group web appearance. We would like to thank you, our clients, for the trust you have placed in us for many years. The entire Team of IMT is dedicated to the

SPIRIT OF VALUE MANAGEMENT!
