

WealthBriefing Swiss EAM Awards 2024

12 March 2024

At an award ceremony on 6 March in Zurich, and for the third time in a row, IMT Asset Management AG received the Annual WealthBriefing Swiss EAM Award for best independent asset manager based in Liechtenstein. IMT Asset Management was also presented with the award in the category “Family Office Proposition”. In addition, the award in the “Thought Leadership” category went to IMT Asset Management CEO Dr. Thomas Trauth.

These awards are presented to outstanding independent asset managers and personalities in Switzerland and Liechtenstein who have distinguished themselves in the past year through innovation and exceptional performance. The award committee is composed of prominent independent experts.

Dr. Ereik Nuener, Chairman of the Board of directors, had this to say about the company’s success: “We are very proud to have been chosen as the best asset manager in Liechtenstein for the third consecutive year, and moreover to have received the awards in the categories Family Office Proposition and Thought Leadership. I would like to express my thanks to the whole IMT Asset Management team for their great commitment and outstanding achievements.”

Die IMT Gruppe

IMT Asset Management is one of the biggest independent asset and fund management companies in

the Principality of Liechtenstein. It belongs to the IMT Group, which was founded almost 40 years ago. The privately owned IMT Group offers services in the areas of asset and fund management, asset planning and structuring, legal advice and international tax consultancy. One of the IMT Group’s particular strengths is its ability to offer, on the basis of the close cooperation between all the Group companies, very comprehensive, customized family office services.
